

Hot Springs National Park - Arkansas

Hot springs in the middle of town?

Water. That's what first attracted people, and they have been coming here ever since to use these soothing thermal waters to heal and relax. Rich and poor alike came for the baths, and a thriving city built up around the hot springs. Together nicknamed "The American Spa," Hot Springs National Park today surrounds the north end of the city of Hot Springs, Arkansas. Come discover it for yourself.

Did You Know?

The name Gulpha Creek is a corruption of the French name for the stream. Explorer William Dunbar reports the name "Fourche á Calfat" in the journal of his visit in 1804. Calfat eventually became Gulpha.
