

## Shenandoah National Park - Virginia

# Nature's Calling!

Just 75 miles from the bustle of Washington, D.C., Shenandoah National Park is your escape to recreation and re-creation. Cascading waterfalls, spectacular vistas, quiet wooded hollows—plan a hike, a meander along Skyline Drive, or a picnic with the family. 200,000 acres of protected lands are haven to deer, songbirds, the night sky...and you. Plan a Shenandoah escape today!

## Did You Know?

Shenandoah National Park is the only known location in the world of the Shenandoah Salamander.
